

## CEW+ Scholarship STEM Eligible Fields

### **Architecture**

Architecture and Urban Planning

### **Chemistry**

Chemistry  
Chemical Measurement and Imaging  
Interdisciplinary Chemical Sciences  
Polymer Chemistry

### **Computer and Information Science**

Applied Data Science  
Computer and Information Science  
Computer Science  
Data Science  
Health Informatics  
Informatics  
Integrative Systems & Design  
Scientific Computing

### **Engineering**

Aerospace Engineering  
Bioengineering  
Biomedical Engineering  
Chemical Engineering  
Civil Engineering  
Computer Engineering  
Electrical Engineering  
Energy Systems  
Engineering Education Research  
Engineering Physics  
Environmental Engineering  
Industrial Engineering & Operations  
Research  
Macromolecular Sciences & Engineering  
Materials Science  
Mechanical Engineering  
Naval Architecture and Marine  
Engineering  
Nuclear Engineering and Radiological  
Sciences  
Robotics  
Space Science and Engineering

### **Geosciences**

Climate and Meteorology  
Environmental Geology  
Geology  
Oceanography  
Paleontology

### **Life Sciences**

Biochemistry  
Biology  
Biology, Health, and Society  
Biophysics  
Biopsychology, Cognition and  
Neurosciences  
Cell Biology  
Doctor of Medicine  
Doctor of Pharmacy  
Ecology & Evolutionary Biology  
Earth & Environmental Science  
Ecology, Evolution and Biodiversity  
Microbiology, Molecular Biology  
Neuroscience  
Pharmaceutical Science  
Plant Biology  
Structural Biology

### **Mathematical Sciences**

Actuarial Mathematics  
Applied Mathematics  
Applied Statistics  
Computational Mathematics  
Mathematics  
Mathematics of Finance and Risk  
Management Statistics

### **Physics and Astronomy**

Applied Physics  
Astronomy and Astrophysics  
Biological Physics Track  
Interdisciplinary Physics  
Physics

### **Public Health**

Biostatistics  
Environmental Health Sciences  
Epidemiology  
Nutritional Science
