

**Architecture**

Architecture  
Architecture Design & Research

**Chemistry**

Chemistry  
Chemical Measurement and Imaging  
Interdisciplinary Chemical Sciences  
Polymer Chemistry

**Computer and Information Science (CIS)**

Applied Data Science  
Computer and Information Science  
Data Science  
Health Informatics  
Integrative Systems & Design Robotics  
Scientific Computing

**Engineering**

Aerospace Engineering  
Bioengineering  
Biomedical Engineering  
Chemical Engineering  
Civil Engineering  
Computer Engineering  
Electrical Engineering  
Energy Systems  
Engineering Education Research  
Engineering Physics  
Environmental Engineering  
Industrial Engineering & Operations Research  
Macromolecular Sciences & Engineering  
Materials Science Mechanical Engineering  
Naval Architecture and Marine Engineering  
Nuclear Engineering and Radiological Sciences  
Space Science and Engineering

**Geosciences**

Climate and Meteorology  
Environmental Geology  
Geology  
Oceanography Paleontology

**Life Sciences**

Biochemistry  
Biology  
Biology, Health and Society  
Biophysics  
Biopsychology, Cognition and Neurosciences  
Cell Biology  
Ecology & Evolutionary Biology  
Earth and Environmental Science  
Ecology, Evolution and Biodiversity  
Environmental Health Sciences  
Epidemiology  
Microbiology  
Molecular Biology  
Neuroscience  
Pharmaceutical Science  
Plant Biology  
Structural Biology

**Mathematical Sciences**

Applied Mathematics  
Applied Statistics  
Biostatistics  
Computational Mathematics  
Mathematics  
Mathematics of Finance and Risk  
Management Statistics

**Physics and Astronomy**

Applied Physics  
Astronomy and Astrophysics  
Biological Physics Track  
Interdisciplinary Physics  
Physics

If you are in a field that is closely related to this list, it may have been accidentally omitted. Please contact [cew-scholarships@umich.edu](mailto:cew-scholarships@umich.edu) to verify that it qualifies.
